

# ***Tariff on fees and commissions applied by DSK Bank for investment products and services***

## ***GENERAL PROVISIONS***

## ***I. TRANSACTIONS IN FINANCIAL INSTRUMENTS***

## ***II. APPENDIX No1: TRANSACTIONS IN DEBT INSTRUMENTS***

## ***III. APPENDIX No2: TRANSACTIONS IN CAPITAL INSTRUMENTS***

## ***IV. INVESTMENT FUNDS***

## ***V. REGISTRATION AGENT SERVICES***

1.	The current Tariff regulates the fees and commissions that DSK Bank AD applies to its clients, regarding the investment products and services, as of 15.06.2022. All references to the "Tariff on interest rates, fees and commissions, applied by DSK Bank AD for providing services to its clients, when related to the provision of investment services, must be construed and understood as references to the "Tariff on fees and commissions, applied by DSK Bank AD for investment products and services".
2.	In case of currency conversion, the fees and commissions shall be converted at the BNB fixing to respective exchange rate, on the day of the transaction. In relation to transactions pursuant to section IV. Investment funds, the fees are deducted in the currency of the order.
3.	Additional fees and commissions not mentioned in this Tariff but arising as a result of any executed transaction, as well as arising in connection with the specifics of certain markets, for instance taxes, regulatory fees, etc., shall be at the client's expense.
4.	Commissions for trading in shares on international markets, calculated as basis points (bps), are applied on the price of the shares, subject of the trade, respectively the cent per share (cps) is added to it. (1 bps = 0,01%)
5.	The fees and commissions that are subject to Value Added Tax Act are with VAT included.
